3/14/2018 13:38:24		Yes	Surgery offers annual healthchecks automatically to children and young people with learning disabilities	Don't know	GP	unk	Patient record	Yes	Don't Know		
3/15/2018 12:17:41	Brunel	Yes	Surgery offers annual healthchecks automatically to children and young people with learning disabilities	Don't know	Doctor	I take it home	No	Don't Know	Don't Know		
3/15/2018 14:51:17	Chelston Hall	Yes	I had to request an annual health check for my son in 2017, he was then 16, up until then i had no clue about them. I then had a letter or 2 inviting him in for one. It seems it was only because i flagged it up on their system. To be honest the surgery isn't great since it merged and will be changing to another.	Don't know	Nurse	No clue	No clue	No	Don't Know		
3/29/2018 11:32:32	Croft Hall Medical Practice	Yes	Surgery offers annual healthchecks automatically to children and young people with learning disabilities	Don't know	Healthcare Assistants and GP's	The Health Check is recorded on our clinical system.	On our clinical system.	Yes	Don't Know
